

Tentative GC Wwp. Budget Cut \$2750

Totals \$171,650; Public
Hearing Set For 1 P.M.
April 4 In City Hall

A total budget of \$171,650, down \$2750 from last year's appropriation for Granite City township, was placed on display last week at the office of City-Town Clerk A. L. Stevens in the city hall.

The new tentative budget is subject to revision by the public during a hearing set for 1 p.m. April 4 in the city council room, and it will be submitted for approval during the annual town meeting to be held at 2 p.m. April 4, also in the city council room.

The new budget for fiscal purposes, amounting to \$133,900 for the 1960-61 fiscal year, was unchanged from the \$133,900 total for the 1960-61 fiscal year which ended Feb. 28.

Town Fund Down

The budget cut is listed in the town fund, which has a total of \$37,750 for the new year, compared to \$40,500 last year. The reduction results from elimination of a \$300 photography project planned by the assessor and from a cut of \$1200 in anticipated election expenses.

However, a \$1200 salary increase is proposed for the office of assessor, boosting the salary to \$7200 from the present \$6000.

Estimated relief cost, \$6000, the same as last year, follows:

Home relief — food, \$75,000; rent, \$5000; fuel, \$2500; lights, \$500; water, \$200; gas, \$1000; clothing, \$500; medical care, \$5000; transportation and moving, \$500; and other expenses, \$2000. Total, \$97,000.

Hospitalization — private hospital, \$18,000; convalescent homes, \$500; ambulance service, \$300. Total, \$23,000.

Transient care, \$1000. Burial, \$1000.

Administration — salaries, \$3000; printing, stationery and supplies, \$800; other expenses, \$200. Total, \$4000.

3 Local Cities On AAA Honor Roll

All three local municipalities—Granite City, Madison and Venice—were placed on the 1960 AAA Honor Roll of cities with "good pedestrian protection programs for children of school age."

The AAA Honor Roll standings were compiled by the American Automobile Club and the list included 126 cities in Illinois, Missouri and Kansas. Plaques or certificates are to be presented to each city by George P. Marsh, president of the Automobile Club.

Cities were divided into population classes for selection, and to qualify cities with 5000 to 25,000 population were required to go a year without a traffic death of a school-age child.

A special citation plaque will go to Madison for its balanced program of traffic engineering, public education and fair and adequate law enforcement by traffic officers.

350 Signers For Water Service In Mitchell Area

Advance deposits of \$55 have been paid by more than half of the required 600 families within the Mitchell Public Water District, with 220 signing at the public meeting held Saturday afternoon at Mitchell school.

Lee Paul, chairman of the district board, said a special headquarters will be set up for next weekend at the fire hall at Mitchell to accept advance payments.

Paul said he there from 10 a.m. to 2 p.m. Saturday and from 10 a.m. to noon Sunday.

The \$33 payments also will be accepted by the seven water district trustees at their homes, the chairman added. The other members are Robert Weeks, Robert Franko, Otto Allen, Edward Durbin, Earl Phelps and James Lavell.

Paul explained that to sell the proposed \$840,000 revenue bond issue to finance construction of the water system, at least 600 of the 850 families to be served must sign in advance and pay the \$33 tap-on fee. After the initial period, the tap-on fee is to be increased to \$150.

To date, about 350 families have signed for the water and a \$55 advance fee for attendance at Saturday's meeting was estimated at 350 to 400 people, who heard the water system and its construction outlined by the district's attorney, William L. Beatty, and engineer, Edward Jumeau.

The \$640,000 system is to be connected onto the Granite City water system at East Louis & Interurban Water Co.

County Tax Rate Unchanged—Will Stay At 23.1 Cents

The tax rate for all Madison county purposes will be 23.1 cents for each \$100 assessed valuation, the same as last year, it was announced Saturday by County Clerk Miss Eulalia Hotz.

Local taxes rates will be set in the near future, the clerk added.

The rate tentatively had been set for 24.1 cents, but was cut to 23.1 with a ruling submitted by State's Atty. Dick H. Mudge.

He is, also, planning to provide tax funds for mapping-planning work and county office defense.

Included in the 23.1-cent total rate are 10 cents for general county purposes, up 22 mills from last year; 5.8 cents for the county treasurer's salary, lowered by 1.7 mill to 4.8 cents; and 7.5 cents for the county clerk's retirement fund, up a tenth of a mill; and 1.3 mills for veterans commission, a new levy.

Last year, there were rates of 9.7 and 27 mills for map-making work and county office defense, respectively, but these are not included among this year's special rates. They are to be included within the 10-cent county general rates.

In a letter to Miss Hotz last week, Mudge said it was his opinion the maximum rate for the county should be 23.1 cents, which includes the map-making and civil defense funds and no additional tax should be extended.

Shot Tower To Be Built At Nat'l. Lead Plant

Will Be Lower Than
Old Tower Which Once
Was City's Landmark

(Picture on Page 19)

An old Granite City landmark will be restored in part of the National Lead Co. plant, 14th street and Cleveland bldg., where a shot tower is to be erected at a cost of \$77,000.

The tower, which will be erected on the site of the old tower, is to be rehabilitated in height to a four-story building — not nearly as high as the old one torn down nearly 50 years ago.

It was learned that the shot tower operation is being returned to Granite City from one of the firm's western plants and the steel framework-structural steel is to be erected by S. W. Willett & Co. It will contain an elevator.

The shot tower is needed to manufacture lead pellets for ammunition. A company spokesman said, "If you're a duck hunter, you probably shot our product."

He explained that the force of gravity is used to make the pellets by dropping molten lead through a screen. The largest are about the size of BBs. Modern operating procedures no longer require a tower several hundred feet in height as formerly was used.

Other Construction Permits

Construction permits issued so far this month in Granite City total \$104,531 in value including the \$77,000 shot tower. Four commercial and industrial permits are valued at \$88,700; nine home improvement projects, \$7025; a dwelling, \$7000; a church sign, \$1000 and a garage, \$816.

Union Starch & Refining Co. obtained a permit for construction of a 2x16 foot mill house located on the second floor of mill house building at a cost of \$8900; while Joseph Nowicki obtained a permit to remove a large tree from a lot at 2267 Grand at a cost of \$1000. The other commercial permit is for a building at 201 S. 7th.

2 Precincts Set For GC Park District Election

For the first time in a Granite City park district election, two polling places will be in operation, it was announced today by Board President Barry Loman.

There have been more precincts in annexation elections in the past, but only one for commissioner elections.

Loman explained last year's annexation of the Namekoi road to the park district brought out the park district boundaries to be elected for six-year terms.

Line Along Namekoi Road
The boundary line will be Namekoi road from Edwardsville road to a point near Garfield avenue where it will extend west to the park district boundary.

The area south and west of Namekoi road will be in Precinct Two and the polling place will be at Stanfield's Shoe Repair Shop, 1306 Twenty-third street, between Edison avenue and State street.

Precinct Two includes all of the Namekoi area as well as the Briarcliff and Melrose subdivisions off West Pueston road. The polling place will be at the Henry Ross Contracting Co. office, 3007 Wabash avenue, off Johnson road.

Wesley Edwards is seeking reelection in Venice and Louis Sam Kiamer is seeking the Madison magistrate position in which John Giteffich has been inactive since becoming an assistant state's attorney. Kiamer, retiring as a Namekoi township justice of the peace, has been handling most of the hearings of Madison police cases.

Madison aldermen have two remaining meetings in which they could decide on the salary question. The salary question in official meetings. A \$5000 annual salary for the police magistrate was set by the Granite City council Feb. 27.

Salaries are to be set prior to the magistrate elections. They will be given the opportunity to serve in city positions, and I believe the board will be prepared to make a decision on the matter.

Surviving are his wife, Rose, a son, Arthur, eight; three brothers, Mike, Granite City; Peter, Madison; and George, Bill, Venice; a sister, Mrs. Robert (Mary) Nonn, Granite City; and his parents, Mr. and Mrs. Nick Billick, Venice.

Funeral arrangements are given in the obituary column.

Burglars Carry
Off Furniture
From Display Home

Furnishings were stolen from a display home at 3300 Edgewood drive last night by burglars who smashed a rear bedroom window and carried off the furniture through the garage to a vehicle in the street. Thirteen other thefts were reported in the area over the weekend.

The break-in was discovered about 8 a.m. today by Gary Farless. Footprints in the mud surrounding the house were nearly obliterated by last night's downpour. The tracks led from the rear garage door and into the street.

Carried off was blond furniture including two step tables, a mirror, coffee table and a corner table, along with two table lamps and a swan planter which contained an orchid plant.

Granite City police said the burglars first broke the glass out of the window, before going back outside to smash a rear bedroom window to gain entrance.

Madison, Venice Councils To Set Magistrate Pay

Madison and Venice city councils are expected to take action Tuesday on the proposed salaries for the police magistrates. The state law ending the fee system for magistrates and justices of the peace goes into effect with the April elections.

Election date in the two cities will be Tuesday, April 18, and in both cases a single candidate is proposed for the magistrate office.

450 Square Dancers To Perform Tuesday

The Granite City high school gymnasium will be the scene of a "Square Dance Jubilee" tomorrow night at 8:30 p.m., as some 450 youngsters who participated in the Granite City park district dance program this winter perform.

The dancers, both boys and girls, came from the four centers where square-dancing classes were conducted by the park district — Logansport, Nidreghaus and Wilson schools — and each center will also provide a specialty number. Park district director Harold Brown said. About 200 tickets will be available at the door to youngsters wishing to attend.

About 450 youngsters will be involved in the program, which is open to the public free of charge. Parents of the dancers will receive seating preference.

An additional specialty number will be performed by a group known as the "Tadpoles," and at one point in the program 450 "squares" will occupy the floor at one time. The program will conclude with a grand march involving all dancers.

4 Mayor Candidates

(Continued from Page 1)

an end to "any imaginary or synthetic emergencies created to avoid competitive bidding on city construction projects."

Reorganization of aldermanic committees and revamping of the city humane department were pledged by Morrien, who added that city laws would be uniformly interpreted and enforced.

He pointed out that during his term as mayor the city tax rate and assessed valuation was the lowest in the past 20 years, and that \$170,000 in city bonded indebtedness was paid off as well as new equipment being purchased for city departments.

"We had no big spend when I was mayor as the cash fund balance will show an amount of less than \$25,000 when I started my term and it had increased to about \$110,000 at the end of my term."

Answering questions by the civic league members on a proposed \$97,000 roadway for a new shopping center, pollution abatement and their opinions of the assessment cut for Granite City Steel Co., the candidates gave the following replies:

Rich said he would approve the roadway only if it was extended to West Ponton road and was extended as a main artery into the downtown district; while Partney said the motor fuel tax funds should be used to repair and improve existing streets.

On pollution, Rich said he was not familiar enough with the proposals; while Partney said a survey currently under way would be believed the city should build its own plant and call upon the levee district to build trunk lines for a dual sewer system to provide a more economic operation of a sewage treatment plant.

Answering the Granite City Steel Co. assessment question, Rich said he would not have appeared before the board of review to urge a tax assessment cut. Partney said he would have called upon the city attorney to

Area Employment Expected To Improve At Industries

Employment outlook for the Quad-Cities area, based on projected hiring schedules of major establishments compiled by Illinois State Employment Service office here, indicates a significant improvement in manufacturing, particularly in primary metals industries.

Malcolm A. Thompson, local ISES office manager, said a decrease in excessive inventories as well as the usual seasonal upturn forms the basis of this optimism.

Employment in nonmanufacturing is expected to improve as well.

Push for payment of the full tax bill. "Instead, the mayor and attorney got over anxious," Thompson said.

Partney said development of the Chain of Rocks canal harbor had been offered to the city with the cooperation of Granite City Steel Co., but Mayor Davis had rejected the steel firm's offer.

The questions were not put to Kasparian and Morrien.

Also speaking before the league were city clerk candidates Everett "Doc" Haven, who said a \$7500 to \$8000 salary should replace the present salary-free basis on which the office is operated and that he would have more assistants at city license time; and Mrs. Elvira Thurber, who pledged an efficient operation of the city. City Clerk A. L. Stevens, a candidate for re-election, was not present.

Charles Jungels, local attorney, was the only police magistrate candidate present, although the incumbent, Andrew Gasparovic Jr., was represented by his son, Andrew III.

Jungels stressed the need for an attorney to fill the office, saying the number cases is expected to increase sharply under the new magistrate jurisdiction of the peace law. He pointed out the sole candidate for district JP was an attorney.

Gasparovic's son said the magistrate has a prior record and was unable to attend.

Aldermanic candidates appearing before the league were Charles C. Curran and John B. Moss of the First Ward; incumbent Paul Rutledge of the Fourth Ward; Mrs. Lily Chaboude of the Sixth Ward and incumbent Mrs. Gabrielle Betts and James Kott of the Seventh Ward.

turing; on the other hand, is expected to remain at the current level, Thompson said.

A drop of 2100 jobs in a six-month period during last Jan. 15 was more serious than the usual seasonal slack in orders at manufacturing firms, and hardest hit were primary metals industries, Thompson said.

"Mixed trends in nonmanufacturing resulted in a slight gain during the six-month period, but a loss of 75 jobs over the period of a year. Unemployment was estimated at 11.25, including 175 women.

Employment by 62 major firms in the area showed a total of 13,639 jobs on Jan. 15, 1961, as compared to 15,752 on July 15, 1960, and 15,754 on Jan. 15, 1960.

"A combination of elements, including normal seasonal factors, high inventories and a slow-up in demand, brought about a sharp reduction in factory jobs during the period between July and mid-January," Thompson reported.

"In the hard goods field, employment showed a net loss of 75, slight gains in chemicals and printing; publishing failed to balance seasonal losses in food, paper and rubber-plastic fields.

"In the face of heavy losses experienced in manufacturing," Thompson continued, "nonmanufacturing actually showed a slight gain of about 25 jobs during the past six months. Expansion of facilities accounted for a rise of nearly 50 professional, educational services, while small seasonal increases occurred in transportation-warehousing and the wholesale trade.

Minor setbacks were experienced by communications, electrical gas utilities and the retail trade.

At Staunton Contests

71 Soloists And Ensemble Groups Receive 1st Awards

Seventy-one instrumental soloists and ensemble groups from the Granite City, Madison and Venice school districts qualified for the state instrumental music competition next month by registering first place rankings during a district contest Saturday in Staunton.

The contestants who are qualified to advance to the state competition are all grade and junior high school pupils who competed in the district contest Saturday. Included are 58 instrumental soloists and 13 ensemble groups.

Granite City district pupils qualified 27 soloists and five ensembles for the state contest in Mount Vernon April 23. They include Class A, B and C entries from the Prather and Central junior high schools.

First ratings entrants to advance to the state. Those rated second will not advance for Class B and C entries from the Namooki area grade school division, regardless of year.

Brownie Cookie Sales Will End Thursday

Brownies, the younger members of the Girl Scout movement, are currently in the midst of a cookie sale campaign in the Tri-City area which began Saturday morning with a kick-off meeting at the Washington Theatre.

Approximately 700 of the 1100 girls who will participate in the cookie sale attended the Saturday gathering, watched a movie, received final sale instructions from Chairman Mrs. Denny Walton and left the theatre armed with cookie order blanks.

The Brownies will continue their door-to-door sales campaign through Thursday, and the Tri-City area which began said customers can expect delivery about April 8. Three types of cookies are being made available during the semiannual sales campaign.

The share of profits from the sale which remains within the local Brownie organizations goes toward the defraying of troop expenses, reduction of costs and into the Camp Lakota fund.

Brownies do not accept payment for cookie orders in advance.

Many an after-dinner speaker walks in his audience's sleep.

Central School Science Fair Winners Announced

Exhibits entitled "Prehistoric Animals" and "A Motor" were the top award winners at the Central Junior high school science fair held Friday.

They were selected as the best of all-around entries from among 91 entries by five schools in the Granite City school district and, together with a number of other exhibits judged as outstanding, will be entered in the pre-fair portion of the Greater St. Louis Science Fair at Washington University on April 20.

"Prehistoric Animals," the entry of Central seventh grader Toni Diaz, was the first place winner in the biological sciences division. Top award in the physical sciences division was Central student Barbara Lerch's well-prepared model electric motor.

Other winners

Judges awarded second and third place certificates in each of the two divisions, plus 25 merit awards to other outstanding student exhibits.

Biological sciences division awards went to Diane Kinney for her "Heart and Lungs" exhibit, second place; and to Pat McMurry and Diana Ousley for an exhibit entitled "Parts of a Flower," third place.

Second place in the physical sciences division went to Jack Filcoff, Ed Brokaw and Fred Hoffman for their "Electricity and Magnetism" display, and to Steve Rutherford, Rollin Yates and Richard Giebe for an exhibit titled "Our Earth's Moon." All are students at Central school.

The honorable mention certificates went to Central students Ruth Groves, Virginia Johnson, Gary McIlroy, Brenda Kalot, Judy Barylskie, Gary Johnson, Tom Keck, Charles Angle, Judy Brazel, Nelda Landaster, Cynthia Smallwood, Susan Ziegler, Linda Waggoner, Barbara Haley, Forrest Swan, Ted Seegers, Riskey Smith, Mike Smith and Sandy Kelly.

Approximately 200 parents and friends visited the science fair exhibits, which were set up in the Central school gymnasium. Entries came from Niedringhaus, Webster, Nameoki and Logan schools in addition to the host school.

Planners of the Central fair expressed satisfaction in the amount of interest shown by

Illinois Nurses' Week Set For March 19-25

Plans are underway for the observance of Illinois Nurses Week March 19-25 and among the local nurses named to serve with Mrs. Hilda DePrates, RN, of Alton, who has been appointed Tenth District chairman of the week, are Ada Thomas, RN, and Jeanette Johnson, RN, of this city. Other members are from Alton, East St. Louis and Belleville.

The aim of the week-long observance, according to an announcement by Mrs. DePrates, is to increase public understanding of the need for research to improve nursing care. The week will also climax a three-month drive by the Illinois Nurses Association to help raise \$1 million dollars for the research program of the American Nurses Foundation. The Foundation is a non-profit organization established by the American Nurses' Association.

The week will be marked by a series of special events now being planned by the local nurses week committee.

Dean Wins 2nd Place In Toastmaster Meet

Marvin Dean was named second place winner in the county Toastmaster Club speech contest held Thursday night at Edwardsville. George Dean, of Edwardsville, was chosen as first place winner.

Marvin Dean's talk was on "Juvenile Delinquency—A Current Event."

One representative from each of the five clubs competed. Clubs participating were from Granite City, Edwardsville, Collinsville, Wood River, and Alton.

Judging was based on knowledge of subject, speech presentation, expression, voice, gestures and organization. The judges, two from each club, made the decision.

Earl Lee and Charles Youngs, of the local club, were on the panel. A group of 10 local members and wives were among 100 persons attending the contest.

Music Educators Conference Invites Rhythm Ensemble

The Latin-American Rhythm Ensemble from the Coolidge Junior high school band has received an invitation to appear at the Music Educators National Conference in Columbus, O., on Saturday, April 8. Director Robert Todoroff said today.

To assist in financing the national conference appearance the ensemble and band will stage a joint concert on Tuesday, March 28, in the Granite City high school auditorium. Tickets for the concert, priced at 50 cents each, are currently available from Coolidge JHS band students.

Believed by Todoroff to be the only group of its kind in existence in this country, the ensemble originated at Coolidge Junior high school. Several years of research had already been completed by Todoroff, who makes summer trips into the Latin Americas each year and became interested in native rhythms, on such an excursion.

The ensemble has developed a reputation for its authentic presentation of Latin-American rhythms, of which there are 12 in its repertoire. The groups' arrangements are those of Todoroff, since no printed sheet music of the type played by ensemble is available.

The objectives underlying the formation of the group are to make available to the students another leisure-time use of musical abilities and to further inter-American understanding through invitation only.

12 To Represent GCHS In State Speech Meet

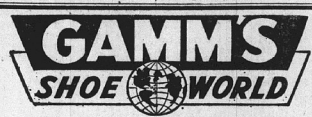

Twelve Granite City high school students will represent their school in annual state-wide speaking and dramatics competition set for Friday, April 7, and Saturday, April 8. It was announced late last week after completion of plans for participation in the tournament.

Taking part in a one-act play that qualified at the Granite City sectional contest will be Cheryl Glazik, Carolyn McRaven, Richard Copeland, Bob Blachoff, David Kettner, Lee Goldstern, Larry Diak and Kathleen Oros. Others competing will be a debate team, Richard Kerch, Robert Butler, Casey Fredericks and Gary Grammer, and Butler individually in the after-dinner speaking event.

Annual Report Predicts Cheaper Car Insurance

Lower car insurance rates were predicted today by the five local State Farm agents, Harry and Roy Thebeau, Joseph Hassler, Edward Nichols and Michael Toundas, in reviewing their company's yearly report, which shows policies rose 4% to 6.1% in 1960 and earned premiums and memberships increased 8.6% to \$469,117,621. The forecast is based on traffic accident reductions, wider awareness that jury awards are closely linked to insurance costs, intensified competition within the industry and new rating plans designed to provide the most equitable rate for each motorist. Largest U. S. auto insurer for 20 years, State Farm last year covered 12% of the nation's private autos.

THE WORLD'S MOST EXPENSIVE DRUG? On September 21st, 1958, Dr. Hench gave the first dose of Cortisone to a patient in The Mayo Clinic.

ITS RESEARCH COST WAS OVER \$21,000,000.00 (21 MILLION!). But, it was donated free by Merck & Co., who had labored for nearly 20 years in an almost hopeless effort to isolate this curative steroid. Cortisone made Medical history, but is now outdated.

NEW STEROIDS ARE LESS TOXIC. They are being successfully used for other ailments besides Arthritis. And, a full day's treatment now costs less than a couple of packs of cigarettes.

CAN A STEROID HELP YOU? You can be certain your physician will prescribe one if he thinks you will benefit. And you can afford it for our system of pharmaceutical economies is bringing priceless medicines within everyone's reach.

YOU CAN DEPEND ON OUR CO-OPERATION. We charge only the necessary fair price needed to operate a good pharmacy. No more.

Review of Week's Activities In State Legislature

(Special from Springfield)

The General Assembly gave signs last week that it is approaching the end of the trial period of the opposition party.

Minority Whip Robert McLeskey (R-Monmouth) served notice on the House that the traditional "honey-moon" for the new chief executive is over and that the Republicans want to get down to "brass tacks." He called for Kerner to present his biennial tax program.

The governor has indicated he will present the program next month and that it may include broadening of the state sales tax, an increased corporation franchise tax and tightening of state tax collections but that this could be revised. McLeskey warned the Kerner administration that the Republican lawmakers will take no stand on administration tax bills until the governor has submitted his revenue and spending program — the biennial budget.

"We want to see the whole picture," he said. "We want to see the facts." McLeskey, "Republican" as he is called, said the House will wait until he (Kerner) comes off the chaletauqua circuit (referring to the governor's heavy speaking engagements) and McLeskey then offered a bill to reestablish a one-cent tax on cigars to finish paying the Korean Bonus — the number of applicants having exceeded estimates then offered by the Democratic party as to the levy when the bonus payments are completed.

McLeskey's action was in contrast to Democratic moves in both Assembly branches to restore the one-cent cigarette tax, but keep it on after paying all bonus applicants. Republicans criticized the Democratic bill as kept the cigarette tax on as sort of a bribe.

House would transfer from civil service to a five-man-police board power to fire or suspend policemen for more than 20 days.

The original proposal would have given the Senate Judicial Committee last week. The measure was sparked by the Stated Rock slayings of three suburban housewives, forced the amendments to place the authority with a nonpartisan board.

The public aid appropriation was sent to the Assembly for a second passage because of the finding by Governor Mervin R. Duvall that a "technical" error which would have required reapportionment and reexamination of applicants for general assistance. Its reapportionment was required because the reapportionment and reexamination assistance. The Senate is expected to give the bill final approval Tuesday.

Other Assembly activity last week included: House defeat of a proposal to reclassify certain downstate race tracks so they would have to pay only \$300 in daily racing fees instead of \$2500 — it may be given reconsideration at a later date; House approval of a bill to provide a freight at the Illinois State Fair from 5 p.m. to 6 a.m.; Senate ratification of a congressional proposal to allow Washington, D.C., residents to vote for President.

Senate approval of registration of Cook county voters and elimination of reference to downstate but it faces possible defeat or amendment in the House to apply it to such downstate cities as Aurora, East St. Louis, Rockford and Springfield (Chicago Senators called the bill a "double standard" in voter registration); and House Judiciary Committee endorsement of a bill giving a state court administrator increased power over judges.

Stolen Auto Strikes House; Nab Suspect

A stolen auto was recovered at 11:30 p.m. Thursday after it struck a house at 321 (rear) Weaver street, Venice police reported. A man believed to have been the occupant was turned over to East St. Louis police for questioning.

The 1952 auto, owned by Larry P. Davis, East St. Louis, had been missing from that city. Police learned that it had been seen Thursday night in West Madison, where it reportedly struck a parked auto, and a few minutes later it ran into and damaged the home of Annie Williams on Weaver street.

A 21-year-old Venice resident jumped out and ran from the scene, police were told. He was arrested at 1:10 a.m. Friday on Marecota street and was turned over to East St. Louis authorities ten hours later.

SCHOOL MOTHERS CLUB FORMS KITCHEN BAND

A kitchen band has been organized by members of the Madison School Mothers club and will meet for practice on the second and fourth Monday of each month. The band was discussed at a monthly meeting of the club held Wednesday evening in the cafeteria of the Harris school.

Mrs. Jean Therrell, president, presided and the Lord's prayer was repeated by those attending. A social was planned for the group to be held in May.

The occasion being "fun night," each member present was to wear a "crazy" hat. Mrs. Margaret Warren, Mrs. May Hendrickson and Mrs. Gertrude McBride were judged as having the best hats.

Mrs. Ruth DeCelles and Mrs. Jenna Norman became members of the club Wednesday evening and were welcomed by the membership. An election of officers will be held at the next meeting. At the conclusion of the evening's activities, the hostesses, Mrs. Casey Lennas, Mrs. Victoria McQuay and Mrs. Nellie McBride, served refreshments.

SOCIAL FOR TRAINING UNION
A social was held at the Temple Baptist Church Friday evening for the intermediate group of boys and girls in the Training Union class of the church. Mrs. A. N. Dunn is director of the union, with Mrs. Rose McIntire and Mrs. Edna Chamberlain as assistants.

Those taking part in the get-together were Gary Taylor, Linda Turner, Leona Smith, Clarence, Charles and Tommy Chamberlain, Sharon McIlroy, Diane James, Billie Bartlett, and Townsend. Refreshments were served by the leaders.

SUPPER FOR GIRLS AUXILIARY

Mrs. Ruth George met at the First Baptist Church Thursday afternoon with two groups of the Girls Auxiliary of the church to teach them from the book "Sawgrass." At the conclusion of the book study, supper was served to the girls in the educational building of the church.

Those taking part were Sandy Wood, Linda Barnett, Debbie Kingley, Linda Webb, Janice Fay Warren, Sharon Mowery, Karen Burnett, Sharon McMurphy, Patty Jones, Kathy Brasfield, Karen Brown, Carol Davis, Mary Kiel and Ruth Webb, members of the auxiliary. Mrs. Kenneth McDaniel, Mrs. Birtie Hobbs, Mrs. Ruby Hall and Mrs. Daisy Burnett of the church served the supper to the auxiliary.

Mrs. Ozell Walton and Mrs. Percy Brown are leaders of the auxiliary girls, and David Lee George, son of the teacher, was a guest. The group presented Mrs. George with a gift in appreciation for teaching the book.

WEEK OF PRAYER

A "week of prayer" was observed last week by members of the Temple Baptist Church. The group first gathered at the church for the prayer services and then met in the homes of Mrs. Syble Miller, Mrs. Lola Rietter and Mrs. Arthur Niedhardt and again at the church Friday evening, when a covered luncheon was held to mark the last day of the meeting.

Mrs. Edna Chamberlain, president, presided over the meetings, with Mrs. A. N. Dunn as program chairman and Mrs. Alvin Wilmoth, chairman. The book study was "The Dreamer Conch." Those taking part were Mrs. Dorthula Taylor, Mrs. Nellie Sharp, Mrs. Rose McIntire, Mrs. Edna Chamberlain, Mrs. Clara Dunn, Mrs. Benjamen Bosworth, 1661 Second street. Games were played in the home of the Bosworth home, with prizes being awarded to Diane Spehr, Rozanna Bosworth, Edna Dennis, Curtis Bosworth, Danny Wright, Beverly Bosworth, Debra Rhonda and Ellen Ann Bosworth, Margaret Ann Bosworth, Fred Bosworth, Rhonda Bosworth and Frank Bosworth Jr. At the close of the game period, refreshments were served by Mrs. Bosworth, as stated by her daughter, Veronica Bosworth.

A birthday cake topped with miniature animals set on a green icing, in keeping with St. Patrick's theme, adorned the table. Many gifts were opened by the honoree, Frank Bosworth, as was a guest at the party.

SENIOR READING CLUB PLANS GUEST NIGHT

A monthly meeting of the senior Minerva Reading club was held Thursday evening in the home of Mrs. Edward Reiske, 2655 State street. The president, Mrs. Norma Kinder, presided over the meeting and roll call was answered with superstitions.

Plans were discussed for a "guest night" to be held May 13. A book review was given by Mrs. Sadie Crawford on "The Elegant Witch." The club was given by Miss Mary McBride.

Group singing of Irish songs was led by Mrs. Reiske.

Members taking part in the meeting included Mrs. Gene Daley, Mrs. Claude Scholz, Mrs. M. C. Fields, Mrs. Wilbur Waggoner, Mrs. Louis Lassiter, Mrs. Demos Nicholas, Mrs. Don Purkay, Mrs. Andy Rapoff, Mrs. Karol Rekas, Mrs. Jack Taylor and Mrs. Earl Stanfill.

Mrs. William Howard Jr. and Mrs. Joseph Blattner were welcomed into the club as new members.

At the conclusion of the meeting, Mrs. Reiske and Mrs. Stanfill, co-hostesses, served a luncheon with a St. Patrick's Day motif.

The next meeting will be held April 13 in the home of Mrs. Charles Bordner, 2957 Washington avenue, with Mrs. William Sheaf as co-hostess.

MRS. MARLAN HOSTESS TO CIRCLE SOCIETY
The Social Circle and Missionary Society of the First Presbyterian Church of Madison were entertained Thursday afternoon in the home of Mrs. L. C. Harlan. The hostess served a dessert luncheon prior to a monthly meeting.

Mrs. Daisy Davis gave a review on "Migrant Work." Mrs. Howard Lucas gave a chapter from the study book, "In His Own Life," and it was announced to the group that a youth clothing drive is to be held on May 1. Missionary names were read by Mrs. Marion Fogle. Mrs. Lucas offered prayer for the missionaries.

Those taking part included Mrs. Daisy McDonald, Mrs. John McElwain and Miss Luella McCoid. The next meeting will be held in the home of Mrs. Fogle.

Boy Scout Troop 47 of St. Paul met Thursday evening in the cafeteria of the school with Scoutmaster Mike Sikora. Plans were made for several outings for the troop during the summer months. A scouting retreat will be held after Easter with several of the boys making preparations for the coming season.

Sikora talked to the boys on first-aid and water safety. The boys hope to start swimming at the YMCA on Saturdays.

Those attending were James McClum, Cary Hoenkamp, Arthur Ratkewicz, Richard Bu- chek, Frank Broyles, Joe La- Macchia, Eugene Kiewski, Joe Dobrowolski, Paul Alesiak, Gregory Wasylich, Steve Lengyel, and Luella Joe Benneath. Randy Suchak, David Tutka, John Kulaska, Marvin Owen, Jack Miller, Tom Miller and Robert Bunk.

SCIENCE TOPIC OF MADISON LITERARY CLUB

The Madison Literary club met Friday evening in the home of Mrs. John McElwain, 1802 Fourth street. Mrs. D. S. Reiske presided during the business session.

The nominating committee, composed of J. N. Purcell, Mrs. Treffle Cox and Mrs. Harry Johnson, presented the following slate of officers for the ensuing club year: president, Miss Bess Carr; vice-president, Miss Ellen Follmer; treasurer, Mrs. John McElwain; secretary, Mrs. Estelle McBride; corresponding secretary, Mrs. Harlan, and critic, Mrs. Marion Fogle.

Mrs. Grace Drickson was in charge of the program, "Modern Science." She gave an account of various uses of ultrasonics and its rapidly widening field.

Miss Drickson also spoke on Bell Laboratory's Echo project and the Maser amplifier.

During a social hour, refreshments were served by the hostess to a guest, Mrs. Elsie Stuart and 16 members. The next meeting will be the home of Mrs. Harry Johnson.

\$6 Million Boost In Local Bonding Power Among Proposed School Laws

Residents here and throughout the state will watch with interest the progress of proposed new school legislation, for school districts are the largest single local taxing bodies and school financing is much in the news. One of the bills should receive particular attention because it would boost the bonding power of Quad-City schools by \$6,105,851.

Senate Resolution 14 provides for an increase in unit district bonding limit from the present 5% to 7 1/2% of the assessed valuation, this subject to referendum. Based on the last assessment totals for the three local districts, this would make possible bonding increases of \$4,278,871 in Granite City, \$986,266 in Venice and \$840,714 in Madison.

Another bill introduced in the 72nd Illinois General Assembly, House Bill 361, also would affect future school financing. It would limit propositions pertaining to bonded indebtedness to yearly submission to voters, and would require at least six months between elections relating to taxes and two months between submission of other proposals.

The office of township school treasurer would be abolished in districts of less than 1,000,000 inhabitants under House Bill 371. As described, this appears to be a sensible approach and would prevent the antiquated school systems from spreading to four more counties that have passed the present population limit. It also would, of course, end the expensive and unnecessary trustee system in Madison and St. Clair counties.

No Election Opposition For Mayors Of Madison, Venice

Lack of opposition in April for re-election of the mayors of Madison and Venice is a tribute to their political strength and their performance in office.

Chief executive of the city of Madison for five terms, Mayor Meier probably has forgotten more political "savvy" than most officials ever learn. At the same time, administrative skill demonstrated during his tenure, aided by a prior bridge purchase at low cost, has produced more improvements and services to the public than would seem possible with the city's tax base.

Winner of a three-way mayoralty contest in 1957, Dr. Lee is revered not only as the son and namesake of a 31-year Venice mayor but also for his own dedication to the city and its betterment. A second term has been earned by four years of accomplishment.

Though election opposition is healthy and can be illuminating to voters, we doubt that it would have changed the outcome in either case this year. Freed from most of the campaign burden, both mayors can concentrate on municipal plans for the coming years.

Every person should be willing to listen to others — at least as much as he talks.

Gossip would be less dangerous if there were more people unwilling to believe it.

Political Action Course In 5th Session Wednesday

The fifth session in the Action Course in Practical Politics, sponsored by the Chamber of Commerce, will be held at 7:30 a. m. Wednesday at the C. of C. office, 1930 Edison avenue. Mrs. Vernon Wortman, discussion leader of the nine-week course, said a case problem, "The Primary That No One Won," will be discussed. The case is part of the Political Club portion of the series.

Elks Lodge To Nominate New Officers Tomorrow

Nomination of new officers of BPO Elks Lodge 1063 will be conducted at a meeting at 8 p. m. tomorrow at the club, according to W. E. Stone, secretary. Stone said "it should be of interest to every member to help select those officers to carry on the business of your lodge during the 1961-62 term." Lunch and refreshments will be served after the meeting.

Dentists Familiar With Proven Benefits Of Fluoridation

Alert to the proven benefits of water fluoridation, the Tri-City Dental Society is performing a civic service in volunteering its services to acquaint local groups with these advantages prior to the advisory election in Granite City.

Members of the dental society are familiar with fluoride as a result of the program of direct applications to children's teeth conducted a few years ago in the Tri-City school system. Surveys of dental health before and after the program indicated a reduction in tooth decay of about 60%, similar to that achieved by the more expensive procedure of water fluoridation.

The stand taken by local dentists is in harmony with county, state and national dental, medical and public health authorities. The dentists' plans for service during the pre-election period are what might be expected of professional people interested in the health and welfare of the public they serve.

42nd Legion Birthday Recalls Veterans' Service In Peace, War

Once united by war in the defense of their country, United States veterans have joined together in peacetime to continue their common effort. Through such organizations as the American Legion, celebrating its 42nd anniversary this month, they still are endeavoring to preserve the American way of life.

Service by veterans to their community and nation has taken the form of child welfare, care of disabled and handicapped, safeguarding of freedoms, emphasis on patriotism and encouragement of adequate military preparedness.

The 17,000 Legion posts currently holding "birthday parties" include Henry Mitchell Post 799, Tri-City Post 113 and Venice-Madison Post 307. On this occasion, the Quad-Cities can express heartfelt appreciation to the Legionnaires for both past and present service beyond the call of duty.

Girl Scout Program Has Been Enriching Lives For 49 Years

Because the Girl Scout movement has existed in the United States for 49 years—its anniversary is being observed this week—girls completing the program have become active in all phases of life in this nation. The theme of "Yesterday's Girl Scouts—Today's Career Women" is fitting, for the passage of time enables scouting to have an effect not only on children but on people of all ages and occupations.

Offering companionship and absorbing activities and training, Girl Scouting is geared to developing responsible, resourceful and happy women. This is achieved through a wide range of craft, service and vocational pursuits.

Including the Brownie, Intermediate and Senior levels, 3,500,000 members between the ages of seven and 18 are associated with the Girl Scouts and Girl Guides throughout the world, and many other millions can look back with gratitude upon a program that enriched their early lives and challenged them to high attainment.

RAILROAD THEME FOR PACK

Den Two of Pack One met Wednesday afternoon at the home of the leader, Mrs. Alice Rumpf and the boys began work on a railroad theme for the next pack meeting. They also devoted some time to basket weaving. Present were Terry Rumpf, Jimmy Harold Gontierman and Steven Davis.

ROYAL NEIGHBORS MEET

The Venice Royal Neighbors met Wednesday evening at the Odd Fellows hall with Mrs. E. Craycraft, oracle, in charge. A brief business meeting was held, followed by a social hour.

Games were played and prizes were awarded. Refreshments were served to Mesdames Betty Reitz, Pearl Hoover, Mabel McGee, Mae Forsythe, Rose Hamilton, Hester Ohlendorf, Ethel Moore, Estella Bone, Josephine Knevezich, Clara Esenpreis, Audine Brown, Beulah Sizemore and Edna Miller.

Hostesses for the evening were Mrs. Miller and Mrs. Esenpreis.

MRS. PAINTER HOSTESS

Others present were Mrs. Jessie Ohlendorf. The next meeting will be at the home of Mrs. Jessie Ohlendorf, and the birthdays of Mrs. Miller and Mrs. Margaret Painter will be celebrated.

ADULT GROUP MEETING

The Adult Group of the Venice Methodist Church held a dinner meeting Saturday evening at the church. Hosts were Rev. and Mrs. Craig Dillman and Mr. and Mrs. Henry Bilyrey. The tables were decorated in a St. Patrick's theme and a decorated birthday cake was served in honor of the birthdays of Willis Blades, Mrs. Mabel Baker, Mrs. Gayle Bilyrey, and Mrs. Naomi Davis.

A brief business meeting was held with the president, Lloyd Patterson, in charge. The group held a white elephant auction and games were played with prizes awarded to Gerald Snider, Mrs. William Jenkins and Mrs. Naomi Davis.

Others present were Mr. William Jenkins, Mrs. Willis Blades, and Mrs. Clifford Canner. Mrs. Lloyd Patterson, Mr. Roger Davis, Mr. and Mrs. Clarence Morehead, Miss Jenkins and Mrs. Naomi Boelling. Guests were Mr. and Mrs. Gerald Snider, Mr. and Mrs. Carol Lannan and Mr. and Mrs. Kenneth Rankin.

3 GC Army Employees Receive Cash Awards

Three Granite City employees of the U. S. Army Engineer Supply Control office, St. Louis, have been presented cash awards for superior performance and a money saving suggestion.

Performance awards of \$200 each went to Mrs. Gertrude Southwick, 1937 Grand avenue, and Mrs. Alleen S. Bright, 2512 East 27th street. A \$150 award went to William H. Evans, 3236 Wayne avenue. Evans also received a suggestion award.

The employees were among 15 receiving the awards from Col. Harold R. Parritt, chief of the office.

Presbyterian Men To Attend Chicago Meeting

A group of local men, members of First United Presbyterian Church, will leave Thursday evening for Chicago where they will attend the thirteenth Chicago area meeting of the National Council of United Presbyterian Men at the Palmer House March 17-19.

In the party will be W. W. Bowers, Daniel Earnhardt, Ralph Pasick, Norman Fife, Henry George, Henry Karand, and others.

The Chicago meeting is the last of five major meetings held annually by the organization in February and March. The theme of this year's meeting is "God So Loved—He Gave."

GARDENAIRES HOLD INSTALLATION

Mrs. Catherine Busch was hostess to the Gardenaires garden club Thursday afternoon in her home, 1615 Clark avenue. Members answered roll call by naming different varieties of gladioli, and Mrs. Stanley Young, president, conducted the meeting. It was announced that Mrs. John Goldschmidt and Mrs. Charles Kohl will give a demonstration of the art of making wax figurines from old candles at the Parkside Garden club in East St. Louis in the near future. Mrs. Young also reported that the club members have been invited to the Fairview Garden club installation in East St. Louis in April. It was announced that the Region Five annual flower show will be held April 29 at Union Hall in East St. Louis.

Corsages worn by the club members at St. Peter's Evangelical Church for the eighth annual meeting of Region Five were orchids grown by Mrs. C. E. Eads and arranged into corsages by Mrs. John Farrell. It was announced.

New officers installed by Mrs. John Tracey of St. Louis, an honorary associate member, were Mrs. George Wenner, president; Mrs. John Goldschmidt, vice-president; Mrs. Fred Cunningham, secretary; and Mrs. Charles Kohl, treasurer. Mrs. Young, the retiring president, presented Mrs. Tracey and the new officers with white carnation corsages.

Mrs. Cunningham donated a "Jacob's coat" plant, and Mrs. Abe Shannon distributed pussy-willow roots to the members. Pink and white gladioli formed the centerpiece of the serving table, and a dessert luncheon was served by Mrs. Busch to the new officers, installing officer and Mrs. Young, Mrs. J. R. Cox, Mrs. Jerry Arbeiter, Mrs. Eads, Mrs. Kohl, Mrs. Shannon, Mrs. Lela Merrell and Miss Bess Carr.

The next meeting will be held April 13 in the home of Mrs. Merrell, 2419 State street.

REUNION PLANS MADE

Plans being made for the June 1961 class reunion at Granite City high school June 17 call for a showing of pictures of school events, the graduation and members and their families unable to attend.

The evening will begin with a "get-reacquainted" hour from 7 to 8, followed by dinner from 8 to 9 and dancing until 11 p. m. Miss Anna Mae Moore is contacting members not living in this area to obtain information about them from the last 20 years.

The reunion planning committee will meet at 8 p. m. in Room 205 at CGHS. Newell Darnier is chairman, and Mrs. William Drew is obtaining information on the location of four class members still not contacted.

Committees named for the event are as follows: Mrs. William Farnley, James Hasty and James Williams, budget committee; Mrs. Lillian Ferrario and Mrs. Lorraine Hantel, food committee; Mrs. Evelyn Glusk, Mrs. Isabel Vartan, Mrs. Angeline Isaacson, Mrs. Irene Love and Mrs. Catherine Hillier, decorating committee; Mrs. June Drew, Mrs. Wilma Russell, Mrs. Alice Reader, Mrs. Olga McMurray and Mrs. Vyvynne Durbin, prizes and favors committee; Mrs. Marie Gordon, Mrs. Ruth Berman, Jerry Duncan, Darnier, Al Hoelter and John Gordon, program committee; and Earl Tucker, master-of-ceremonies.

MRS. PETRILLO HOSTESS TO VARIETY CLUB

Mrs. Nick Petrillo entertained the Variety club in her home, 3407 Franklin avenue, Thursday evening.

Canasta was played, with Mrs. Chester Murphy winner of first prize. Mrs. Ralph Abrams second and Mrs. Ed Ozanich, third prize.

The hostess used the St. Patrick's theme in her decorations, with a large green shamrock and a frilled skirt of green crepe paper as the centerpiece of the serving table. She served a late dessert course to the prize winners and Mrs. Louis Mathenia, Mrs. Virgil Mercer, Mrs. Roy Wilmoniz, Mrs. Harold Wagner and Mrs. Ray Durbin. Mrs. Wagner invited the club to her home, 2132 Cottage avenue, for the April 20 meeting.

MRS. LANCASTER HOSTESS

Mrs. Julia Lancaster was hostess to the Confraternity Group of St. Elizabeth's Catholic Church Wednesday in her home, 3801 Franklin avenue. The discussion was led by Mrs. Emma Jalko, who also gave the opening and closing prayers. A buffet luncheon was served by Mrs. Lancaster to Mrs. Marie Schobor, Mrs. Rosina Manger, Mrs. Ann Maygar, Mrs. Ruth Orr, Mrs. Helen Favier, Mrs. Louise Kovar and Mrs. Beulah Gauen.

HERE ARE THE FACTS!

In the largest single purchase in Fredman Bros. Furn. Co.'s 46 years of business, we recently bought out the Ralph Friedman Co., of 5149 Easton and 414 S. 7th St., St. Louis, Mo. (Illness forced Ralph Friedman (no relation) to sell out his entire business, 5 buildings, and stock. We did not need this additional stock at this time but the business and price was so terrific that we could not pass it up. In order to dispose of this vast stock we have orders from our main office, regardless of the higher value of this merchandise, to mark down every single article to a price that is sure to make it sell ... and quickly! To dispose of a stock of merchandise of such tremendous proportions in such a short time, just 17 days, requires drastic price cutting. Notwithstanding the loss of profits we have made prices so appealingly low, and augmented this stock with some of our own Quality Furniture to complete selections in every department of our big store, that we believe this Stock Disposal Sale will be irresistible to the Homefurnishings buying public of the Quad-Cities and surrounding territory and will be one of the outstanding sales of this year and years to come. All items subject to prior sale. No refunds or cancellations on sale items.

Mardi Gras Theme For Opti-Mrs. Installation

A Mardi Gras setting was used in the appointments of the installation party for the Noon day Opti-Mrs. Club held on the mezzanine of Hotel Lennox Saturday evening.

Lamp posts made of paper mache depicting New Orleans street names were spaced at intervals throughout the room and colorful balloons and serpentine adorned the tables.

Those taking office were Mrs. Charles Thurber, president; Mrs. David Parrish, vice-president; Mrs. Joe Wilson, secretary; and Mrs. B. C. O'Neill, treasurer. Nominated to serve on the board of governors were Mrs. Ted Auerhede, Mrs. Maurice Daley and Mrs. Gene Sternberg. The installation ceremony was conducted by Ernest Veil.

Members and guests were asked to make masts for the occasion and prizes for the most original designs went to Mr. and Mrs. Sternberg, and Mr. and Mrs. Parrish. Mrs. O'Neill, president and Mrs. Daley, the retiring president, who also received a gold pin.

A cocktail hour from 6 to 7 p.m. preceded the dinner at which the Opti-Mrs. members, and music for dancing later in the evening was furnished by an orchestra.

Mrs. Viehl, chairman of arrangements, was assisted by the following committee members: Mrs. Chester Baker, Mrs. Leonard Bickel, Mrs. Robert Edmonds, Mrs. Sherman Elkins, Mrs. Harold Fischer and Mrs. Sam Meyer.

The next regular meeting of the club will take place March 20 in the ballroom of the Elks Club when the new officers will assume their duties.

Cleo Evans, president, was in charge and after a business discussion the group was entertained by Mr. and Mrs. Horn with slides taken on a trip to Hawaii.

Let Freedom Sing!

Patriotism Theme of GCHS Musical Thursday, Friday

Thirty-six melodies which have come out of the four great wars involving Americans have been woven into an original patriotic musical entitled, "Let Freedom Sing!" which is to be presented Thursday and Friday at 8 p.m. in the Granite City high school auditorium by members of the GCHS student body and faculty.

The songs are those of the Revolutionary, Civil, First and Second World Wars, with particular emphasis to be placed on the Civil War period since its centennial is being observed.

Directed by Warren G. Simpson, one of the GCHS vocal music department, the presentation is designed to stress the importance of patriotism through song.

An original script for the production has been prepared by Miss Laura June Clark, journalism instructor, stage settings are by Eugene Alessi of the art department and art department students, and vocal and instrumental groups under the direction of Louis Meek and Simpson will also participate.

The GCHS concert band will open the program with a medley of Civil War songs under the direction of Mr. Meek, and the audience will be asked to participate in the singing of the Star Spangled Banner and the recitation of the pledge of allegiance.

Beginning with the "Patriot Hymn" and "Yankee Doodle" from the Revolutionary War period, the musical will trace the various major struggles for freedom in this country through world war II.

Typical Selections Typical of songs both north and south during the Civil War will be "The Battle Cry of Freedom," "Dixie" and "Tenting Tonight."

Selections composed during the world war I period will include:

Chapter 650, OES, Initiates Member

Mrs. Patricia Emring was a new member initiated at a meeting of Chapter 650, Order of Eastern Star, at a regular meeting Friday evening.

Mrs. Florence Spahr, worthy matron, and John Wood, worthy patron, were the presiding officers and both were given birthday cakes topped with birthday gifts of the chapter presented by Mrs. Kathryn Edmonds, associate matron.

The chapter was reminded of several coming events and after the meeting refreshments were served to approximately 85 members and guests.

Decorations carried out a St. Patrick's theme and an Eastern Star ring from her husband was presented to Mrs. Emring by the worthy patron.

A handkerchief shower for the worthy matron and patron was the first feature. The gifts were presented by the associate matron and patron.

The next meeting on March 24 will be "guest night" with officers of New Hope Chapter filling all stations.

Industrial Playoffs Go To GC Steel

Regular season champion Granite City Steel Co. overcame a five-point halftime deficit yesterday at the YMCA gymnasium and eked out a 77-76 win over Granite City Trust and Savings Bank to grab the playoff title in the Industrial Basketball league.

The Steel Co. moved into the playoff finals by defeating Dow Metal Products Friday night at the "Y," 71-51, with John Draper scoring 22 points.

Trust Bank, second-place finisher during the regular season, defeated A. O. Smith Corp. last week in a first-round playoff game.

The Trust cagers got 18 points from Don Williams in the first half of yesterday's contest, and led 42-37 at the intermission.

Williams ended with 32 points to lead all scorers in the game, but Jerry Winkler, Bernie Crockrell and Draper led Granite City Steel to complete the season with a 9-1 overall record, its only loss coming at the hands of the Trust Bank cagers during the regular schedule.

Trust Bank was 6-2 in league play and 7-5 overall.

TEENAGE ROYALTY. Miss Carolyn "Cookie" Sparks and Donald Lambert, who were crowned "Queen and King" during the YMCA's annual Teen-Age department dance Saturday night at the YMCA. The royal couple was selected by popular vote of members of the Teen-Age department.

Miss Sparks, Lambert Reign At YMCA's Teen-Age Dance

Miss Carolyn "Cookie" Sparks and Donald Lambert, mistress of ceremonies, received a corsage of red roses.

Lambert, Wallace and Bob Kelly, master of ceremonies, received white boutonnieres. Members of the court were presented with bouquets of white carnations and boutonnieres.

The Teen Town Council also presented flowers to Mrs. Harry Corbin, YMCA Teen Town hostess. Mrs. C. E. Townsend, chairman of the YMCA Teen Age department, and Miss Pat Mega and Don Mega, teenage directors.

Miss Mega presented loving cups to Miss Sparks and Lambert, and the royal couple ended the coronation ceremonies with the royal dance. All members of the court participated.

Marid Glass Theme

The YMCA gymnasium was decorated in a Mardi Gras theme, with the throne in white accented with pink and green. White and pink shining masks and fountains completed the theme area decorations, which were planned by committee headed by Miss Ruth Justice.

For the occasion Miss Sparks chose a full-length orchid gown. The strapless bodice was accented with tiny pleats. The full skirt fell in a bustle in the back and was trimmed with a white ruffle.

Miss Ferro selected a white nylon tulle, floor-length formal with a "V" neck with chantilly lace bordering the neckline and falling in the back of the billowy skirt to the hemline.

Miss Alice Boston, escorted by Al Lewis Jr., was attired in a white formal with a strapless bodice. The skirt had a metallic lure yarn caught in the back of the full skirt by three bows.

Miss Donna Trovich, escorted by Tom Jenkins, selected an apricot colored full-length gown of nylon chiffon over tulle. A gathered bustle accented the back of the skirt.

Miss Sally Stewart, whose escort was Larry Corey, wore a simply-styled pale green gown of angel wings with a sweeping bodice and a plain floor-length billowy skirt.

Miss Mary Walters, escorted by Max Prusak, was in a gown of pink tulle over nylon. The full skirt had a deep ruffled flounce at the bottom and a row of velvet tubing ending in a bow in the back at the waist. The bodice had two tiny straps.

Miss Terry Griffith, escorted by Bill Ridings, was attired in a full-length yellow nylon tulle formal with pleated bodice featuring a yellow satin bow.

Miss Nancy Jones, escorted by Ron Burton, selected a baby-blue nylon full-length strapless gown. The empire cummerbund was embellished with an alternate blue sash ribbon and lace which was also seen in the billowy skirt.

Miss Linda Toburen, whose escort was Virgil Kirksey, wore a beige, full-length formal with a sweeping skirt formed of orange and beige tiers of net. The fitted bodice was trimmed with gold leaves on a wide sash.

Miss Carol Krivi, escorted by Pat Schuman, chose a gown of chiffon with tulle. The bodice was gathered to give a full appearance to the gown. The back had an elaborate bustle emphasized by a large satin bow placed above the hemline.

Miss Carol Lynn Lockhart, escorted by Bert Bjorkman, wore a mint-green formal with a shirred nylon bodice. The full skirt was covered with layers of mint green ruffles accented with white lace.

Rainfall Above Normal After Weekend Storms

Over an inch of rain fell in the Quad-City area during the weekend, accompanied by gusty winds, lightning and a trace of hail, but no serious damage to property was reported.

Rain which fell during the 24-hour period from 8 a.m. Saturday to 8 a.m. today was measured at 1.12 inches at the U. S. District Corps of Engineers rain gauge at the Chain of Rocks national locks, making total rainfall here during March 3.97 inches.

Added to the 3.61 inches of precipitation here in January and February, the total rainfall so far this year is 7.58 inches, over three inches above the 4.42 inches normal at this time of year.

The heaviest rainstorm of the weekend hit the area shortly after midnight Sunday. Electrical interference set off several burglar alarms in the area, and another was activated when struck by lightning.

Hennessey Hearing Reset For Friday

Rescheduled for next Friday morning in an East St. Louis justice of the peace court is the hearing, which had been set for last Saturday, for Thomas "Skip" Hennessey, levee district board member.

Hennessey had been charged with making a threat to kill by Daniel Castello, levee board president, who said he had been told of the threat by two persons. Hennessey has denied making it.

The hearing was continued since two attorneys and two witnesses were out of town.

Copy of Dental's Letter from "The Town Without A Toothache."

George W. Heard, D.D.S.

Box 346
Hereford, Texas

Mr. Roby C. Day
112 Lewis St.
San Diego, California

Dear Mr. Day:

Hereford, Texas, has been called the "Town Without A Toothache." THIS IS NOT TRUE. But the phrase has been used effectively by the people interested in marketing "SODIUM FLUORIDE" all over the country.

I have practiced dentistry here for years. The native population of Hereford and Deaf Smith County have remarkably good teeth. The incidence of caries or tooth decay was very low. I finally succeeded in getting some members of the dental profession to come to Hereford to find the cause of the excellent dental health of our people.

After considerable research, it was suggested that the relatively high content of natural fluoride in our water supply was responsible. I accepted this conclusion for a time. The people who had great quantities of sodium fluoride and sodium silico fluoride as by-products of the Aluminum Co. and the Fertilizer Industries, decided that when these by-products were added to city water supplies, they would produce the same type of dental health which existed here with the natural fluoride. They widely publicized "The Town Without A Toothache." They are, I believe, still doing it.

As the years went by I continued to study the local situation. I observed that, as the town grew and more people began to live on processed foods, such as — canned goods, white flour products, soft drinks, etc., tooth decay increased. This increase of decay occurred, even though they were drinking the same fluorinated water we had always been drinking. I am now fully convinced that good natural food is the preventive of dental caries as well as on other diseases.

I believe that fluoride does, in a mild way, retard caries, but, I also believe that the damage it does is far greater than any good it may appear to accomplish. It even makes the teeth so brittle and crumbly they can be treated only with difficulty, if at all.

The dental investigators who came to our County, some fifteen years ago, did, in my opinion, make a serious mistake when they gave fluoride the credit for our good teeth, and overlooked the quality of food grown in our rich, well mineralized soil. Every person I found who had no dental caries, consumed much milk.

Why use a poison when correct food will maintain our bodies free from diseases and tooth decay. It is hellish and un-American to put poison in city water supplies and force citizens to drink it.

I sincerely hope that at least some of your dentists are co-operating with you in getting the real truth about tooth decay over to your citizens.

If I can further assist you, please call on me.

Cordially yours,
(Signed) Geo. W. Heard

Traffic Down; \$1,244,000 Spent On Bridge Renovation

McKinley Bridge traffic last month declined 6% from the previous February, partially because of adverse weather in the first and second weeks. Bridge Manager Henry McMullen has announced. McMullen also cited one day less in the month — February 1960 contained 29 days because it was a "leap year" and said a slight economic recession may be affecting the traffic volume.

The 263,350 total—representing a daily average of 10,191—consisted of 62,629 in the first week, 72,587 on Feb. 8-14, 74,563 on Feb. 15-21 and 75,178 for the final seven-day period.

In February 1960, the 305,905 total for 29 days averaged out at 10,548. For February 1959, the tally was 294,824 for an average of 10,172.

Since the bridge was purchased by the city on Nov. 21, 1958, there have been declines from the corresponding period of the previous year on only four occasions. These were March 1960, when weather was unusually severe, and the three months just concluded.

Complete this summer. Renovation of the bridge has hampered traffic to some extent, and completion of the renovation this spring and summer is expected to make the Mississippi River span more attractive to motorists. Work is to resume in April.

Through March 1, records compiled by McMullen for Mayor or John E. Lee reveal that \$1,244,773 has been expended for

improvement of the bridge and related projects. Refunds have been received for \$234,124.

Included are \$593,602 paid to the Whiting-Turner Construction Co. of Baltimore, Md., on remodeling of the bridge itself and \$288,738 to the General Contracting Co. for improvement of the bridge approaches and construction of a six-lane toll plaza on Main street.

Hardy and Hanover, bridge consulting engineers, have been paid \$91,453, and \$118,227 has been expended for improvement of Broadway, the payments going to General Contracting and to the Shepard, Morgan and Schwab engineering firm.

Property Acquisition
Illinois Terminal Railroad, former owner of the bridge, has been paid \$63,974 for labor and maintenance work, and \$38,664 has been disbursed in acquiring property on Main street, including the building housing the bridge offices. Taxes, deeds and recording fees are included in the acquisition total.

Illinois Terminal also has received \$15,759 as half the cost of bridge flagmen's salaries. This formerly was paid from current bridge income but was transferred to the bond issue proceeds because it was resulting in potential bridge operating deficits.

Current balance in the bridge improvement fund amounts to \$365,390, of which most is in property in government bonds, to produce interest for the revenue fund.

Local Posts To Celebrate 42nd Legion Birthday

Plans are being completed for "birthday parties" at all local American Legion posts in commemoration of the 42nd anniversary of their organization's founding.

First of the events will be a banquet and speaking program at 8 p.m. Friday, March 17, at Henry Mitchell Post 799, located at 1043 Douglas street, Venice.

Tri-City Post 113, Madison avenue and 24th street, will celebrate the anniversary with a corned beef and cabbage supper at 6:30 p.m. Saturday, March 18. A dance will follow the meal.

Division Commander Ralph Scott of Carlyle, Ill., will be guest speaker at the birthday party of Venice-Madison American Legion Post 307 at its quarters at 740 Broadway, Venice. The event is planned for 8 p.m. Friday, March 24.

Nationwide observance of the anniversary is taking place March 15-17. The Legion was organized in 1919 in Paris, France, during a gathering of delegates from the first American Expeditionary Force. Its membership now numbers in the millions. Including veterans of world war 1, world war 11 and the Korean war.

Scout Council Plans Commissioner Course

A special training course for Cub Scouts and Boy Scouts council neighborhood commissioners will be launched Monday, April 3. The initial session and those on April 10 and 18 will be held at Camp Graham, with the topics including service to exploring, scouting and sponsoring institutions.

Concluding meeting will be the commissioner's mid-year assembly April 26 in Edwardsville. Service to cub packs will be discussed by George F. Fickler, assistant national director of cub scouting service.

Optimists Near Talk On Uses of Plywood

H. E. Penning, field representative of the Douglas Fir Plywood Association, presented an illustrated talk on advantages and new uses of plywood at a meeting of the Noonday Optimist Club Thursday at the Elks Club.

Aided by slides, Penning's talk demonstrated how plywood has gained wide acceptance of the building industry through broad applications of the product.

In listing the advantages, Penning pointed out that in some cases plywood is more durable than steel and is stronger than ordinary wood.

New uses, he said, have been made for construction in roofing, school and church structures, many new housing developments, industrial pallets and federal highway signs.

Because plywood is made in panel form, using plywood, thousands of dollars have been saved by industry in saving time and materials.

Penning emphasized a new product called "agriply" which after testing showed it is suitable for all types of farm building construction. New braces

K. of C. Members In May Day Parade

Plans for participation in the Knights of Columbus May Day parade in Edwardsville on May 2 were discussed by members of K. of C. Council 1058 during a meeting of the Catholic laymen's organization here Thursday night.

Council members learned that Bishop William A. O'Connor of the Springfield diocese will attend the parade, an annual event.

The council plans to enter three five-man teams in the Madison county bowling tournament at Grant Park on the weekends of April 23 and 30, and discussed sponsorship of a softball team to play in the Granite City park district's Class "B" league this summer.

The 20 members who attended the meeting bypassed refreshments in observance of the Lenten season.

and building trusses, he said, that are lighter and more economical than laminated solid wood, have also been developed. More than 50 members and seven local contractors who were guests, attended the meeting.

* Did you know that Industry and Commercial Businesses are NOW paying approximately 60% of the total tax bill?

Did you know that the 1959 tax dollar was distributed as follows:
56 cents School District
20 cents City of Granite City
11 cents East Side Levee & Sanitary Dist.
.03 cents Park District
.04 cents Granite City Township
.06 cents Madison County

The average tax bill which is approximately \$300.00 is distributed as follows:
\$168.00 School—This is \$14.00 per month, if you have even one child who goes through the public school system, it is a bargain-rate education. If a taxpayer is childless or sends his children to private schools, this is his payment for the system of free education. The actual cost is \$393.00 per year per pupil.
\$60.00 City — This is \$5.00 per month and covers police protection, fire protection, street maintenance, garbage service, library service and many more services.
\$33.00 Levee — This is approximately \$2.80 per month.

\$8.00 Parks — This is one of the taxpayers biggest bargains. For less than 75 per month, Wilson Park, local playgrounds and the yearly recreation programs are maintained.

\$12.00 Township — For \$1.00 per month, all relief work plus the offices of Supervisor and Assessor are maintained.

\$18.00 County — For \$1.50 per month we pay our share of the expenses of operating the county government. T. B. Sanatorium, Civilian Defense, County Highways and County Courts.

With any budget, a community may have high valuations and a low rate, or low valuations and a high rate. In either case, the individual pays the same amount of money.

Each portion of our city's government bodies — by law, set the appropriation budget and each citizen must — by law, pay for his share. Your assessor merely puts a fair value on your property.

Granite City can point with pride to its tremendous growth — in homes, in churches, in schools, in industry, in civic improvements, and city services. It is a better place in which to work and live and raise a family. The money necessary to provide this better community must come from taxes as provided by law. In Granite City, everyone pays his fair share of the cost of our parks and schools and streets.

When people take more than a casual interest in their local government, when they are willing to participate in local affairs, they are creating the best possible insurance that their tax bill is fair.

No assessor can raise or lower taxes. There are laws which state specifically, how money shall be raised to support each community. The law must be followed to the letter. In Granite City . . . to assure fair property evaluation for tax purposes a group of experts from the Granite City Real Estate Board, including all of the federally approved FHA appraisers, worked hard and diligently with me to set these fair values on all business, industrial and residential real estate. Each Granite Citizen, therefore, proudly carries his fair share of the cost of being a part

Commissioner Honor Roll Plan In Uniwah

A new commissioner honor roll plan for the Uniwah Boy Scout district was announced by District Commissioner Bernard Miller Jr. during a monthly district committee meeting Thursday evening at Cline's Annex.

Miller said the honor roll will reflect program quality, meeting attendance and scout recruitment among units in the Quad-Cities. For February, Cub Pack 122 of the Wilson school, Parents + Teacher Association and Scout Troop 41 of the Mitchell school, PTA were honored.

Miller introduced Ed Stone, east section assistant, who presented Edwin Weber with Cub Pack Six's program award and announced new commissioners added to his staff. Miller listed

addition of five men to the south section staff, which he said will be headed by Austin Lewis.

District Chairman Gerald Walters presided, and Vice-Chairman Allen Jesse reminded the group of an orientation meeting at 7:30 p.m. Wednesday. District Executive Dan Brown said most unit leaders have received tickets for the council appreciation dinner. With 1837 enrolled in Uniwah at present, the goal for this year is 2100 boys, Rev. John DiGiacomo noted.

Leo Kalpis listed an explorer delegate conference in May and urged all units to be represented at the May scout fair.

Camping Chairman Joe Lane said 16 troops have signed for summer camp and one for spring weekend camping. Robert McCord reported on explorer leader and daytime den mother training.

Charging extreme and repeated cruelty, Theresa Goodman was divorced from Floyd Goodman in the court of City Judge Fred P. Schuman here Saturday morning. The plaintiff was granted custody of two minor children. Married Feb. 22, 1953, the couple separated last Feb. 27.
